Operation Christmas Child

The winter of 2014 is becoming a distant memory. Hard as it was with cold
weather and high heating costs, we made it through the difficult
weeks. We enjoyed shelter, food, access to health care, and
countless other blessings. Let us respond with an attitude of
celebration and thanksgiving for all that God has made possible!
Please purchase t-shirts for our 2014 Operation Christmas Child
packing party. Many of the children who will receive our gifts have
never owned a new article of clothing. Imagine their joy when they
discover that you cared enough to send a new shirt!
